GROWER A SERIES

91 POINTS

Robert Parker's Wine Advocate

"Displays juicy lime, tangerine, grapefruit and apple, with citric and malic cut buffered by subtle creaminess, and with a fine mousse. There is an impressive balance between density on the one hand and levity and refreshment on the other... a long, vibrant finish. Enjoy this exceptional value over the next 2-3 years.

...in awe of and delighted with Argyle's sparkling wines"
